

GLOBAL MARKETING AGREEMENT

I. PARTIES

This Agreement is entered into by and between Seattle Colleges (SC), a state agency and higher education institution with its office at

Seattle Colleges
1500 Harvard Avenue
Seattle, WA 98122

and «**Institution**» (Marketer), whose principal place of business is located at «**RMBLDG**», «**ADDRESS**», «**ADDRESS2**», «**CITY**», «**PREFSTATE**» «**CODE**», «**COUNTRY**» and who is engaged in the business of marketing educational institutions to potential students.

II. PURPOSE

SC wishes to make its programs of study in the United States known and available to potential students around the world. Therefore, SC requires the services of a marketer to market its programs, as set forth herein.

III. MARKETER AND SERVICES

3.1. Marketer shall provide marketing services for SC. These services shall include, without limitation: (a) providing accurate and complete information about Washington State and SC's programs to all persons who request such information, (b) providing assistance in completing application materials for SC to all persons who Marketer can recruit or who are referred to Marketer by any source, (c) providing orientation services to all students who plan to attend SC, and (d) other incidental services as requested in writing by SC.

3.2. Marketer shall submit a copy of all marketing and promotional material to SC for its approval prior to any public dissemination in any form.

IV. FEES

4.1. SC agrees to pay Marketer a fee in the amount of 15% of the net tuition paid to SC for each full-time student who (a) Marketer assists in completing and submitting a SC application and (b) Marketer provides with orientation services and (c) is an international student ineligible for federal financial aid funding or on an F, M, or other non-immigrant visa type who (d) duly registers and pays international tuition and other SC fees. Full-time means paying at least 12 quarterly credits of international student tuition, or being enrolled full time in an international student ESL program, including bridge programs. Net tuition means the international tuition actually paid and received by SC, less any refunds or returns. SC shall pay this fee to Marketer only for up to three academic quarters of full-time registrations by any student who is enrolled after the conclusion of the refund period, except that this fee shall not be paid for any student who attends SC as part of a group that contracts separately to attend specialized classes. The 15% commission will be based on 15 college-level credits at the international student tuition rate, rounded up to the next highest \$25 dollar increment (e.g., \$475, \$500, \$525, \$550 etc.). Commission for all students except those in full-time B.A.S. programs will be calculated using lower division tuition rates. Commission for students in full-time B.A.S. programs will be calculated using upper division rates. In addition, SC offers a volume bonus to Marketer for referring 5 or more students in one academic year (Summer through Spring quarters) who register full time and pay international tuition and fees, as described above, for a minimum of one quarter. Marketer will receive the volume bonus in addition to the aforementioned 15% of net tuition per referral, as provided in Attachment A to this Agreement. This payment is intended to assist Marketer with marketing promotions on behalf of Seattle Colleges, including seminars, advertisements and other activities. Alternate bonus arrangements may be made, subject to review and approval by SC.

Any fees for significant services that Marketer may render to SC other than as provided in this Agreement are allowed by separate written agreement. Significant services include, but are not limited to, custom seminars, facility rental/setup, and custom promotional advertising. Upon acceptance of the agreement, Marketer shall submit to

SC an invoice, which shall describe the service and provide a detailed breakdown of the cost.

4.2. Marketer shall submit to SC (a) a cover sheet or letter on company letterhead establishing the connection between the student and Marketer and (b) the student's application to SC, and (c) other information as SC may reasonably require and/or that Marketer normally includes as part of its agreement with the student.

In return, SC shall pay the 15% net tuition fee for the student; such payment shall be processed within 60 days after expiration of the period during which the student may obtain any refund of tuition or other fees. All fees are subject to any applicable withholding taxes.

4.3 All fees will be paid in the name of the Marketer or its d/b/a and will not be paid in the name of individual employees of the Marketer.

4.4 Marketer may elect not to receive fees and bonuses for the services rendered under this agreement.
