## Seattle Central's 2017 Unity Fair

Seattle Central's Unity Fair is the biggest student-led event of the year. Activities include some fun games, funky music, yummy food, street dancing, and a lot of fun! What a nice way to celebrate the end of the school year!

## Graduation Ceremony

The end of the school year is fast approaching and many of our international students will soon be graduating.

This year, Seattle Central's annual graduation ceremony will be held on Friday June 16th at Safeco Field, the city's professional baseball stadium!

International graduates will wear caps and gowns, as well as a white satin stole. They will also be named in the ceremony's program booklet.

Our team looks forward to this exciting event and seeing our students walk the stage in style!
